Bryan Thomson is back by popular demand! He has been sharing his knowledge and skills with us now for over 13 years. You won't want to miss this event!

After taking Bryan's class you will be able to offer the following high paying services to your customers:

- Restorative Tile, Grout & Stone Cleaning especially removal of Hard Water Deposits and Soap Scum
- Granite Countertop Cleaning/Polishing/Sealing
- Marble and other Natural Stone Floor Cleaning/Honing/Polishing/Sealing
- Residential and Commercial Tile and Grout Cleaning and Grout Colour Sealing and more!!!

You will know how to do a proper pre inspection, how to price the job and how to confidently do the job and manage your customers' expectations. You will earn up to \$250/hr for your efforts and you'll be even happier when you upsell and cross sell your other services to the new high-end clientele you'll gain with all your added skills and knowledge.

As an added bonus Bryan Thomas is known to offer continued ongoing support to participants in his courses! You can count on him to answer any questions you may have going forward.

Whether it's commercial or residential, the cost of replacing these stone surfaces is extremely expensive. Therefore, restoring and reconditioning them is a very valuable service that can save customers thousands of dollars over replacement costs. Stone Edge Training can teach you how to recondition and/or resurface to a "better than factory" finish. This stone service will set you apart from your competitors and go a long way to securing a loyal customer.
