

AirPath Floor Dryer

Take floor drying to a new level. The patented grill directs airflow down and across floor surfaces in a 360° pattern – dries a 144 sq. ft. (13.4 sq. m) area in just minutes. Highly effective at directing airflow under furniture and other obstructions without disturbing contents.

FEATURES

- Directs air uniformly in all directions across floor surfaces for fast drying
- High velocity 40 mph airflow and patented 360° outlet grill design
- Rugged 1 HP motor with 2-speed switch
- Rotomolded housing is durable, stackable and highly portable – includes comfortable integrate handle.
- Locking wheel casters keep the unit firmly in place when drying hard floors
