

# Dri-Pod Floor Dryer

Dry carpets and hard surfaces fast! Enhance evaporation and quickly remove surface moisture in small spaces. Unique design pulls warm, dry air from above and directs it down through a louvered grill across the floor, – up to 5 ft. (1.5 m) of drying in all directions. The ultra-lightweight, stackable Dri-Pod is perfect for speed-drying carpet, tile and vinyl, and under furniture and inside cabinets.

## FEATURES

- High velocity airflow enhances evaporation
- Unique design directs air uniformly across floor in 360°
- Lightweight and highly portable
- Fully stackable
- Move easily. Simply pick it up and carry it! Stacks for storage, too.
