

Sentry Shield

Fabric
Protector

TriPlex
TECHNICAL SERVICES, LTD.

Tomorrow's Technology
Today™

A solvent-based fluorochemical treatment that imparts both oil and water repellency to fabrics. Contains no water. Safe for use on delicate fabrics. Sentry Shield utilizes a high-tech solvent base that dries up to 4 times faster than OMS. Imparts excellent protective characteristics to synthetic and natural fibers and their blends. CFC-free formula is more environmentally safe than older formulas. Contains Tri-Absorb™ UV Absorber to protect treated fabrics from the damaging effects of harmful UV rays, both naturally occurring from the sun and those that are artificially produced by indoor lighting.

Coverage Per Gallon

Carpet

Low Pile	-	1200 - 2400 sq. feet
Medium Pile	-	1000 - 2000 sq. feet
