

# ADORE

## Antiseptic Cream Hand Soap

**HYDRATES WHILE CLEANING**

**FOR HANDS, BODY AND HAIR**

**RICH AND PLENTY OF FOAM**

**DELICATELY PERFUMED**

**NONYLPHENOL-FREE / PHOSPHATES-FREE**

ADORE is a very gentle cleansing lotion for hands, body and even hair. We have chosen the most sophisticated and recognized basic materials currently available, derived from natural elements such as corn, coconut oil and palm nut oil.

Of superior quality, ADORE is primarily used as a cleansing lotion for hands, body and hair. In addition to being effective for cleaning, its cosmetic qualities make it a very gentle product for the skin. It is also used in several public showers precisely as a soap for the body and hair. Its delicate and light fragrance discreetly perfumes the skin. Ideal for public bathrooms and showers, sports centers, restaurants, hotels, schools, shopping centers and even homes.
