

# BIG BANG

## U-H-V STRIPPER

### ULTRA FAST-ACTING FORMULATION

### ODORLESS AND COLORLESS

### NONYLPHENOL-FREE / PHOSPHATES-FREE

BIG BANG will quickly emulsify floor finish build-up in record time! This stripper is innovative in its speed of action and very low odor. It will quickly break down layers of finish and continue its work where other strippers stop working. BIG BANG is ammonia-free, low-odor and colorless. BIG BANG will save you money! It will save you on labor by cutting down on stripping time. In addition, its non-caustic and very low-foaming formula makes rinsing easier.

### LIGHT ACCUMULATION = 1:20

### MEDIUM ACCUMULATION = 1:10

### HEAVY ACCUMULATION = 1:4

1. Mix BIG BANG in cold or warm water depending on the dilution needed.
2. Apply the solution and let it sit for a few minutes. Do not let the solution dry. Keep the floor wet by adding additional solution as needed.
3. Scrub the floor with an auto-scrubber or stripper. Pick up the old finish with an auto-scrubber or wet vacuum.
4. Rinse a first time using our NACID floor neutralizer. Final rinse with clean water.
5. Let the floor dry completely before applying the floor finish or sealer.
