

FIJI makes surfaces shine brilliantly.

FIJI cleans without leaving streaks, not only windows and mirrors, but also any other surface; stainless steel, chrome, porcelain, plastic, vinyl, faucets, melamine, etc. It is the ideal product for the maintenance of offices, hotel rooms and whiteboards. With a single wipe, FIJI will remove all fingerprints, grease stains or other dirt. FIJI is an exceptionally high-performance cleaner, alcohol-free, ammonia-free, acid-free and 100% biodegradable.

Directions for use

1. Spray as is (undiluted) on the surface.
2. Wipe with a clean cloth or paper towel.
